Third Party Countries:

In case of returns from a country not belonging to the European Community, there are mandatory requirements for customs clearance:

Please add:

- **Proforma Invoice** (sample attached)
- indicating an adequate "value for customs purposes only"
- list the articles with their **PTW part no.** and (if applicable) **Serial no.**

These important information will help us to meet all requirements for customs clearance. And also, help us to speed up your import process.
